On-site delivery

Most BGF workshops are available as an on-site delivery. Contact us for more information.

CIPFA Essentials

Our 'Introduction to ...' Essentials programme is designed to help support those who may be new to the sector, or perhaps working in a new role, and may also benefit non-finance staff and elected Members. These interactive workshops are a great way to help develop knowledge and awareness of a specific service area and are proving increasingly popular with staff development programmes.

Specialist support

The BGF can provide support for audit committee development through on-site training, webinars and effectiveness reviews.

CIPFA's guidance to audit committees and [Position Statement](#) are kept under regular review and these are complemented by the BGF's resource for audit committee members: [Audit Committee Update](#).
