Advisor Update

Welcome to the December FAN Newsletter for practitioners in organisations that don't subscribe to the FAN service.

The non-subscriber newsletter includes details of our upcoming events along with CIPFA news and updates that will hopefully be of interest to practitioners.

David recently chaired the Local Authority Accounting Conference and also delivered two open sessions of his new Introduction to Local Authority Financial Statements and Closedown workshops, which can also be delivered 'locally' for your authority, so if that is of interest please get in touch with David after his return.

Caroline has been providing lots of collection fund consultancy, finishing off as many things as possible and handing over before leaving CIPFA at the end of December, after nearly 9 years in the advisor role. Thank you so much for all the kind messages I have received since last month's newsletter, each and every one much appreciated. I am definitely going to miss all of the subscribers and Networks team. As I said last month, it has been a pleasure to work with and get to know so many of you. It would be lovely to stay in touch so if you haven't already and would like to, please do find me on LinkedIn.

Please note that we can deliver any of our *Essentials* 'Introduction to...' events exclusively for your authority, so please do get in touch with a member of the FAN team if interested in a 'local' delivery.

Don't forget that you and your colleagues can add or remove yourselves from the network mailing lists via the MyCIPFA Preference Centre. Just make sure that any settings are **confirmed** so that the mailing list update process picks up your requested changes.

That's all for this month's advisor update. Please stay safe and enjoy a merry Christmas and happy new year.

Best wishes,

David and Caroline
