* Tutorials:

To offer greater support, we will be supplementing our web class tuition with online tutorials for all modules. Each tutorial group will have a small number of students to enable more interaction. These tutorial sessions will give you more access to tutor support to enhance your learning and preparedness for the examinations, and also to enable you to interact with your fellow students in a small group. Students are expected to have their cameras and microphones on and to participate fully in the tutorial. You can book a **1-hour time slot** for your timetabled tutorial days in CIPFA Learning. You are expected to pre-book and attend for your allocated tutorial slot only please.
