

CIPFA South East Digital Speed Mentoring

Proposal for 2021

By Thomas England CPFA – Corporate Member and Mentoring Lead

The Proposals

1. Reminder and guidance on mentoring
 - Benefits of participating
 - How it was work in a virtual environment

2. Virtual Speed Mentoring Events
 - Using commercially available platforms
 - Different themes i.e. Newly qualified, Mid Career
 - Proof of concept by April/May
 - First event June/July

Budgetary Impact – TBC but expected to be minimal and covered through sponsor interest where applicable.

Questions and feedback

1. Does the Council think it a good idea to begin offering a rolling programme of virtual mentoring events in 2021 and perhaps beyond?
2. Would members be around to help pilot the format in April/May?
3. Does the council have any other comments?
