Events Plan for 2021 – V3 at 7 February 2021

1, This V3 update shows our planned activity updated for 2021 (as at 7 February 2021).

2. V1 (at October 2020) was prepared as Section 5 of the 2021 Regional Development Plan and showed all of our currently planned events for 2021 being delivered digitally to April. After that we intended to offer a mix of digital and live events. However, it is now proposed that we plan for all of our events to continue to be digital after April – until there is a significant relaxation of the current Covid restrictions, which realistically means until September for most large group indoor events.

3. Our London Division is expected to resume its quasi-autonomous status during mid/late 2021 – and we can insert further updates to the Events Plan when that happens.

4. Note that our new Surrey Hub Group plans to hold a first meeting during Spring 2021 and this will be a digital event.
