# The network offer

The CIPFA Pensions Network has been established for over ten years. Our experience and commitment to providing a high quality, professional service with the latest support, guidance and insightful events. We help navigate Pension Funds, Administering Bodies and Employers through the challenges faced in the industry.

The CPN offers a wide range of tailored face-to-face events at regional venues all over the UK. Our expert support and guidance is focused on all aspects of Pensions accounting, Administration and Governance.

The CPN is committed to providing public bodies with the tools to be at the forefront of best practice and innovation in the sector. Our aim this year is to focus on key topics facing the sector, such as the Fit for the Future Review, and a look-ahead to the upcoming tri-annual actuarial review. We provide members up-to-date information on the latest trends, opportunities and technology.

As part of your membership you will have access to the latest detailed guidance and regular updates on current events and topics to keep you at the forefront of new developments. With over 650 members signed up to our e-alerts service, keeping on-top of the latest updates to legislation will be made easy.

The CPN newsletter provides the latest updates and current interests in Pensions, details of relevant events and conferences and keeping you alert to the key CIPFA and Government consultations. On-top of all this, the network will provide access to webinars and our monthly informative economic update from an expert economist.

For those with specific questions, our advisors are on hand to help. If you would like further information about the benefits of subscribing to the CPN, please contact any member of our highly skilled and dedicated advisory team.

## What our members say

“The event was well pitched and I felt relevant to someone like myself who was on a bit of a fact finding mission. The event itself was very well organised and provided a good opportunity to network with other local authorities.”

“As always, a well organised and presented event, excellent speakers and content. These workshops are way above that of other professional organisations. The subjects are timely – moving to the pace of change within the public sector and other organisations.”

# Programme of events

Our planned headline events below are complemented by alerts and briefings, monthly newsletters and dedicated advisor support for practitioners in subscribing organisations. Prepaid places can be used to attend any events in this service plan. The Update Event is free for Network subscribers to attend.

New events may be added during the year and details of these, along with options for use of pre-paid places, will be confirmed as part of the event promotion materials, CPN newsletters and alerts.

## **March 2025** **Fit for the Future**

With the year starting with the “Fit for the Future” Consultation, which could mark the biggest change in the LGPS. If the response is as timely as we expect, this bitesize event will outline the next steps.

*Timing subject to change, dependant on government response to the consultation*

## **March 2025** **Audit and Accounting workshop**

In recent years the pension fund accounts have reached a high standard driven by increased scrutiny and the support of the CIPFA Example Accounts. Naturally this will lead to a discussion on the work of external audit, and we will hear our usual feedback on the 2022/23 accounts and what the key issues will be for 2023/24.

## **May 2025** **Annual Event for Local Board Members**

The Annual Event for Local Board members returns, with an array of speakers on hand to cover all the topical issues that affect the Oversight and Governance of Pension Funds.

## **September 2025** **The Future of Pooling**

What will pools look like, with the Fit for the Future programme, it looks likely that their role will change. What does that mean for your Fund and Board?

**Autumn 2025**  
**Introduction to the LGPS**

The “Intro to” course returns. Giving officers and committee members new to the LGPS a grounding in the basics of the structure and governance of the scheme.

*We would be happy to offer this training onsite.*

**November 2025**  
**Update Event**

This update event will look at the topical issues that Officers will need to consider as we look towards year-end

## **CIPFA Essentials**

Our 'Introduction to ...' Essentials programme is designed to help support those who may be new to the sector, or perhaps working in a new role, and may also benefit non-finance staff and elected Members.
