

CIPFA Better Governance Forum

Autumn Internal Audit Update

Webinar

7th October 2024

Purpose

CIPFA will be providing details around the consultation of both the new Audit Standards as well as the CIPFA Code. We will be able to answer any questions you may have around the consultation documents.

We will also be having some more focused sessions looking at issues that most audit teams are considering currently.

Learning Outcomes

- An update on the new internal audit standards as they go through the consultation
- Strategies to resource your audit teams.
- How using performance auditing techniques can help achieve value for money in your authority.
- Effective governance arrangements for wholly owned bodies
- Update on AI governance.
- Updates from CIPFA on other relevant Internal Audit and Governance developments.

Who Will Benefit

This event has been curated to help Heads of Audit during this period of change, as well as Audit Managers and Senior Auditors who will be managing the change also.
