The network offer

The CIPFA Treasury Management Network has been established for over ten years. Our experience and commitment to providing a high quality, professional service with the latest support, guidance and insightful events. The TMN offers a wide range of tailored face-to-face events at regional venues all over the UK. Our expert support and guidance is focused on all aspects of treasury management and will provide expert independent training to help you meet your training requirements, compliance with the Prudential and Treasury Management Codes.

The TMN is committed to providing public bodies with the tools to be at the forefront of best practice and innovation in the sector. Our aim this year is to focus on key topics facing the sector, such as the devolution proposals. We provide members up-to-date information on the latest trends, opportunities and technology.

As part of your membership you will have access to the latest detailed guidance and regular updates on current events and topics to keep you at the forefront of new developments. With over 650 members signed up to our e-alerts service, keeping on-top of the latest updates to legislation will be made easy.

The TMN newsletter provides the latest updates and current interests in Treasury Management, details of relevant events and conferences and keeping you alert to the key CIPFA and Government consultations.

On-top of all this, the network will provide access to webinars, the TMN will provide a monthly economic update from an expert economist to provide the latest commentary. For those with specific questions, our advisors are on hand to help. If you would like further information about the benefits of subscribing to the TMN, please contact any member of our highly skilled and dedicated advisory team, listed below.

What our members say

“The event was well pitched and I felt relevant to someone like myself who was on a bit of a fact finding mission. The event itself was very well organised and provided a good opportunity to network with other local authorities.”

“As always, a well organised and presented event, excellent speakers and content. These workshops are way above that of other professional organisations. The subjects are timely – moving to the pace of change within the public sector and other organisations.”

Programme of events

Our planned headline events below are complemented by alerts and briefings, monthly newsletters and dedicated advisor support for practitioners in subscribing organisations. Prepaid places can be used to attend any events set out in this service plan and also a selection of FAN events, such as the Closedown series. CIPFA Essentials
